Mundaring Sporting Club Strategic Plan 2018

1. Introduction and Background

Located in the Perth Hills at the town of Mundaring we are a sporting and recreation Club and a “not-for-profit” organisation. We (as a Club) provide facilities and the opportunity for members and the community to participate in sporting and recreational activities, currently Lawn Bowls, Disc Golf and Golf.

Our facilities include:

- A common licensed clubhouse
- An 18 hole golf course with sand greens
- Two synthetic carpet surfaced bowling greens
- An 18 hole disc golf course built within the golf course first 9 holes.

Currently the Club is in good financial health. This was not always the case and only through the efforts of past members and Club management has the Club survived to become the healthy sporting venue it is today.

This Strategic Plan is intended to provide a view of the Club as it stands today and where it intends to be in the future in the short, medium and longer term. This is built from the prioritised opinions and aspirations of our members. Targeted goals are identified to help achieve this vision.

Aims of the Strategic Plan are to:

- Capture and summarise the collective vision we have for our Club’s future
- Identify key goals to achieve our vision
- Ensure that we prioritise our infrastructure spending rather than making isolated monetary outlays on projects which don’t achieve our goals and waste resources
- Ensure we don’t put the Club’s existence at threat with unrestrained spending.
- Understand challenges presented by the changing environment we operate in and adapt as required to continue on as a successful Club.

2. Club Background

OUR JOURNEY SO FAR

Previous to the establishment of the Mundaring Sporting Club (MSC) at its present site, both the Golf and Bowls Clubs were quite active as separate entities in the district.

The Bowls Club, situated on Jacoby Street in the centre of town had little option for expansion, as had the Golf Club, limited as they were to a small 9 hole course in Jacoby Park. The provision of a clubhouse, two bowling greens and an 18 hole Golf course in the 1960s was incentive enough for the two Clubs to relocate to the present site as a combined Sporting Club.

Under the guidance of Brian Gaines, the initial president, a forward thinking combined committee, and much volunteer work of members, the Mundaring Sporting Club was established. Since then, with many changes and challenges over time, the Club has grown to become as we know it today, with Disc Golf now a third participating section as of 2014.

Mundaring Sporting Club Strategic Plan 2018

We acknowledge the outstanding efforts of this initial, and subsequent committees and volunteer members in building the Mundaring Sporting Club into the valuable community facility it is today.

1. Reports by Stakeholders

Bowls - Chairman of Greens

Following the introduction to woven carpet synthetic greens, members are now able to play all year around with dramatic improvement on standard of play by members.

The second set of woven carpet greens were installed in 2014 and volunteers have continued to be responsible for their upkeep. Our position within the environment has its challenges, with tree pollen requiring continual removal. Birds and other fauna related problems all contribute to ongoing maintenance.

As woven carpet needs replacing every 8 to 10 years financing this huge commitment is undertaken by the whole Club with a predetermined monthly amount set aside for future commitments.

Golf

The Par 72 Mundaring sand green Golf Course opened in 1970. MSC Golf section members enjoy Saturday and mid-week competitions commencing early April and concluding towards the end of October. Mundaring Golf is a member of the Darling Range Golf Association, sending a team to and hosting teams from Pickering Brook, Serpentine and Waroona on Club open days in a keenly contested DRGA Cup. The course and sand greens are well maintained over the winter competition months by a dedicated team of volunteer members. The Mundaring Golf course is accessible to public golfers on a green fees honour system.

President Disc Golf Section

Disc Golf became a section of the club in 2014. The Club currently has an international standard 18 hole, 36 tee Disc Golf course built on 9 holes of the golf course. The Disc Golf course shares the fairways of the first 9 holes of the Golf course. There are two tee positions for each hole: one gold, one white. The Disc Golf Section has a clubroom under the main clubrooms.

Disc Golf shares maintenance duties with the Golf section, and pays part of the costs of maintaining the Golf course. The baskets and tees are currently in good condition, with none requiring repair or replacement.

Mundaring Sporting Club Strategic Plan 2018

The international standard course brings worldwide recognition to the Club and allows it to host large scale disc golf events such as the Aussie Open – in 2017 part of the Disc Golf World Tour.

Disc Golf is still a fledgling sport in Australia and has had a history of being free to play. The pay-to-play concept is still new and has taken some time to be taken up by the Western Australian Disc Golf community. The location of the Club, in an outer suburb of the Perth metropolitan area, is also a challenge to attracting members to a new sport.

3. SWOT Analysis

A SWOT Analysis was held on March 22, 2017. All members were invited to input on club Strengths, Weaknesses, Opportunities and Threats and are recorded in the table below.

Strengths	Weaknesses
Gender Equality	Lack of Awareness at All
Friendly Atmosphere	Lack of External Income to the Club
Strong Volunteer Ethic	Maintenance of Facilities
Member Technical Skills	Not Family Oriented
DIY culture	Lack of Younger Members
Budget Focused Management	Internal Communication
Club License	External Communication
Club is Autonomous	Club Promotion
Location	Community Engagement Could Increase
Greens and Facilities	Member Apathy
Will own all Assets	Locality - lack of visibility in Mundaring Community
Club coaching available	Lack of State Events
All Year Round Greens	Non-Commercial Kitchen Facilities
International Club Profile Through Disc Golf	Membership Numbers Across all Sections

Mundaring Sporting Club Strategic Plan 2018

Opportunities	Threats
Build on Relationship with Council	
Signage, Club Visibility	Loss of Autonomy
Hosting State Events	Forced Coaching
Increasing Sponsorship (club patrons)	Limited Bar Hours
Selective Promotions and Marketing (to get new members who will fit in)	
Schools Involvement	
Increased Bar Hours	
Provide meals at club - lease out kitchen	
Marking of premises for functions including other clubs	
Change of name to Club	
Facilities Upgrades Plan	
Family Memberships, (promote family friendly atmosphere)	
Develop Reasons for People to Come to the Club	
Organise Activities Combining All Sections of the Club	
Plan for increased Younger Players in Club	
Increased Community bowls events (handicapping of previous winners, full membership as prize)	
Assign mentors to New Members	
Rewarding of Volunteers (e.g. cert. of appreciation)	
Promote the Club as a Venue (theatre, music)	
Determine the Size We Want to Be	

Mundaring Sporting Club Strategic Plan 2018

Higher priority items identified at the SWOT Analysis meeting

Strengths	Weaknesses	Opportunities	Threats
Strong Volunteer	Lack of Awareness of club in the local community	Council Relations	Loss of Liquor License
Budgeting/Finance	Not Family Oriented	Targeted Promotions Marketing the Right People	Loss of Lease of Premises
	Communications, Internal and External	School Involvement	

Interpretation of SWOT items

Strengths:

We are a Club with a good volunteer base and with finances in good order

Weaknesses:

We are not sufficiently visible to the local community

We don't have the facilities to accommodate family groups at the Club. ie mum and dad play bowls, kids have other activities/supervision available.

We need to better plan Club communications: Internal newsletters, Facebook and other online representation, advertising etc.

Opportunities:

Improvement of council relations can lead to project funding opportunities. We need assigned people to foster optimal communication with the council

Membership promotion need to be targeted to the right demographic

School involvement is a long-term strategy to promote our sporting activities. Our experience from previous efforts is that we don't gain members in the short term.

Threats:

Non-conformance with changing Government Regulations could place our liquor license at risk. This in turn would likely end the financial viability of the Club

Relationship with Local, State and Federal Representatives needs to be ongoing to ensure best interests of all parties for the continuance of the Lease.

Mundaring Sporting Club Strategic Plan 2018

4. Club Vision and Values

Our Vision

Our members wish to have a small to medium sized financially successful Club with plans and policies in place designed to run our business well and sustain or increase membership. We want to provide an enjoyable and rewarding Club experience for members. We wish to be engaged with our local community and we want success in our sporting endeavours. We value our strong volunteer ethic.

Mission Statement

Sustainability	We will continue and improve financial, management and membership practices to ensure ongoing club viability
Community Involvement	We will encourage community involvement in all sporting sections We will strive to be recognised as a valued community asset
Success	We will strive to be a successful club as measured by strong and increasing club membership and external recognition
Improvement	We will consistently review our Club operation and make improvements where we can, consistent with our long-term strategies
Legal and Ethical Compliance	We will meet our legal and regulatory requirements. We will conduct our business ethically and fairly
Communication	We will improve our communication within the club and with the outside community

Our Values

One Club	We are one Club encompassing all of our sporting sections
Enjoyment	We value member ongoing enjoyment of our sporting and social activities
Progressiveness	We strive for ongoing improvement for our Club
Atmosphere	We wish our club to always retain its country Club atmosphere

Mundaring Sporting Club Strategic Plan 2018

5. Strategic Objectives

Area	Objective
Club House and Surrounds	Upgrade the clubhouse progressively to a modern multifunctional facility. Maintain and improve our sporting facilities. Maintain adequate insurance to protect the Club and members
Governance	Ensure continued compliance with relevant government legislation and regulations. Maintain a strong Board of Management
Communication	Improve each way communication between the Board of Management (BoM) and Club members. Ensure good communication with the external community.
Facility Utilisation and Community Engagement	Maintain or improve utilisation of the Club facilities by the community.
Financial	Maintain Club profitability. Set aside funds yearly for known future commitments
Infrastructure and Plant	Maintain and improve our assets and plan further developments according to the infrastructure plan
Membership	Maintain or improve Club membership numbers in all member categories. Long term retention of members

Mundaring Sporting Club Strategic Plan 2018

6. Action Strategies

Note: BoM denotes Board of Management

Clubhouse and Surrounds				
Initiative	Action	Responsibility	Timing	Status
Actively pursue Government Assistance opportunities for infrastructure projects	Assigned Club member to report on current status of government grant initiatives.	BoM appointee	March June Sept Dec	Active
	Report to meetings of BoM	BOM Appointee	May 2021	Active
Develop a long-term development plan	BOM Subcommittee to consider and report to BOM on "helicopter view" development opportunities.	BoM Sub Committee	Updated / reviewed annually	Active
Annual review of Security Status	Ensure appropriate insurance is in place	BoM executive	Aug, Feb	No action Required
	Review security equipment and upgrade as necessary	BoM	Feb	

Mundaring Sporting Club Strategic Plan 2018

Governance				
Initiative	Action	Responsibility	Timing	Status
Define roles and responsibilities of board members	Develop and maintain current role descriptions for board members and persons with key responsibilities in the Club, both MSC and Sections	BoM	Nov	No action required
